HW2 October

Movchan Igor | HW 2

1. a) When I was a student, my best friend and I **travelled (1)** around Europe for a month. We didn't want to travel by train, so we **hitchhiked (2)**. Once, a lorry driver **gave (3)** us a lift from Paris to Cannes - over 900 kilometers!

   She **set off (4)** from her house at six o'clock in the morning. However, she **missed (5)** the 6:30 train because there was a traffic jam in the town centre.

   Our plane **took off (6)** from Beijing 45 minutes late, but we **landed (7)** in Sydney ten minutes early!

   Our journey from London to Glasgow was terrible! We **boarded (8)** our train in London at two o'clock, but then we **changed (9)** trains in Birmingham and also in Manchester. In the end, we **got to (10)** Glasgow just after midnight!

   b) 1) A: Why was there a big **traffic jam** on the motorway in this morning?

   B: Because there was a **crush** between two cars at 7:30.

   2) A: Why did you **miss** your train?

   B: Well, my friend was driving us to the station, but her GPS wasn't working, so we **got lost**. In the end, we bought a map!

   3) A: Why were there **long delays** to all the flights from Heathrow Airport today?

   B: Because there was a pilots' **strike** yesterday, so lots of planes are at the wrong airport today.

   4) There was a **something wrong** with our coach, so we waited for two hours at the service station.

   5) It took me over an hour to get my ticket because there was a long **queue** at the ticket office. Then the train **broke down** just outside Paris, so that's why I'm so late.

   6) A: It sounds like you had a bad flight between Washington and London.

   B: Yes, there was a lot of **turbulence** over the Atlantic because of the bad weather.

2. a) 1) When we arrived at the station, my uncle **was waiting** for us in the car park.

2) It **was snowing** hard when we got to our hotel.

3) **Were you flying** over the Alps when the turbulence started?

4) How fast **were you driving** when the accident happened?

5) Where **were you standing** when the thief stole your handbag?

6) Did you get lost because your GPS **wasn't work**?

b) My mother and I **had (1)** a terrible journey from London to Edinburgh last weekend. First, when my brother **was driving (2)** us to airport on Saturday evening, his car **broke down (3)** on the motorway. In the end, we **missed (4)** our plane and **bought (5)** some new tickets for the flight on Sunday morning instead. However, on Sunday morning we **was waiting (6)** for our flight when it **started (7)** snowing heavily, and they **decided (8)** to close the airport. So we **took (9)** a taxi to Euston Station and **bought (10)** tickets for the 2pm train to Edinburgh.
